### **DOG CLASSES**

**Judge: Suzanne Backhouse (Aindrea)**

It was a great pleasure being asked to judge this championship show by the members. I would like to thank the committee for their hospitality. It is hard work running a show and this club certainly do it well a privilege to everyone. Thank you to everyone who entered and allowed me to assess your dogs, there were some hard discussions to be made but everyone took the decisions sportingly. It was lovely to co-judge with Richard Morris (Lascoed) and pleased that we both saw each others qualities in our main winners to agree with our line up.
