YOUR JUDGES

Mr Tim Harrison (Glenbrows)

The history of the Glenbrows Kennel goes back many years; the origins stem from me showing Glen of Imaal Terriers and black and tan Cockers with tan eyebrows – the Glen and the brows! Much success was enjoyed in both of the breeds, the pinnacle being Sh Ch Glenbrows Raincloud JW gaining his title and best of Breed Crufts 1999.

The welsh joined the kennel in 2001 following a visit to the great Cleavehill Kennel of the late Jean Taylor, before our children were born, theoretically for another ESS for Honor, however a 2 year old little red and white madam had other ideas! A very shy Cleavehill Ceri decided that I was to be hers, and so she joined us in Derbyshire.

In the early days of showing Ceri a chance conversation with John Thirwell led to a very hairy 12 week old puppy joining us, he was to become Honor's dog. These first two welsh became Sh Ch Cleavehill Ceri for Glenbrows and Sh Ch Ferndel Storyteller for Glenbrows JW Sh CM respectively, but most of all they were the closest friends of our then two very young sons, and all the present day kennel descend from these two.

Many homebred Champions have now followed, however our dogs are very much a family affair, and champion or not, each of our dogs is part of the family. In the show ring we are very proud to claim a number of Champions, several Breed Club Championship Show Best in Show winners; Crufts Best of Breed winners; Top Dog; Top Bitch; Top Puppy and Top Breeders.

'Glenbrows' champions are found internationally in WSS, Cockers, ESS, Sussex spaniels and a Curly coated Retriever.

I thank the club for their kind invitation and I am very much looking forward to my visit.

Tim Harrison

Mrs Jan Janes (Coedybrain)

Jan attended an Agricultural show as a spectator back in the early 1970's and was bitten by the showing bug, quickly realising that her present dogs, an Irish Setter and a Welsh Springer were not show potential.

So she embarked on finding her first 'show' Welsh who was of Dalati breeding, arriving in 1978. Jan went on to show Irish Setters as well as her Welsh for several years with some success but it was on a visit to the Wainfelin Kennel of Mansel & Avril Young she purchased a bitch pup who went on to become Sh.Ch. Wainfelin Chantilly Lace 'Sian.'

Sian was a delightful girl and is behind all the current Coedybrain dogs to date. Sh. Ch. Coedybrain Dafydd, Sh.Ch.Coedybrain Carys at Typica JW Sh.CM, Sh.Ch. Coedybrain Nelli and the latest Sh.Ch. Coedybrain Nia at Cwmbeili.

Jan says she is privileged to have been involved in the South Wales show scene when the great kennels of Pencelli, Tregwilym and Dalati were around to learn from.

Advice she received has stayed with her to this day, and has helped shape her appreciation for breed type. When asked she always states among her favourites, Sh Ch. Wainfelin Barley Mo and Sh.Ch. Dalati Afan.

Jan has been Judging the breed at CC level on many occasions, including the Swedish and Finnish Club Shows, SKC and the SEWSSC the most recent.

Jan is very much looking forward to Judging at her 'own' Club Show especially as it's the 40th Anniversary of the formation of the Club of which Jan has played a huge part since its inception.

EXHIBITORS PLEASE NOTE

PLEASE Clean up after your dog

Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licensed event must ensure that the dog is kept under proper control whilst at the licensed venue including its environs, car parks and approaches.

Remedial action will be taken if dogs which are left in vehicles are found to be in a distressed condition, without liability for any damage caused.

In accordance with Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.
