JUDGES PROFILE

I have been associated with dogs and livestock all my life but I began showing with Gordon Setters in 1980 handling for a friend. I been showing ever since and have made up Show Champions in Gordon Setters and Field Spaniels

I am Chairman of Setter & Pointer Club since 2013 having been a Committee Member since 2005 we run a Championship and Open Show each year and in conjunction with the ISAE hold successful Field Trials

I have judged since 1989 covering a wide geographical area and judged pretty much all of the breeds within the gundog group, but my main area of choice are the Setter and Spaniel breeds. Since awarding CC's I have judged the Gundog Group and BIS at Open show level. I awarded my first set of CC's in Gordon Setters at WKC 2007, Field Spaniels at Darlington 2017 and due to the pandemic my debut in judging Irish Red & White Setters was delayed until 2022.

I am delighted to be offered the chance to judge one of the native Welsh breeds in their country of origin and the place I have called home for the past 35 years.

DATE FOR YOUR DIARY

PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.
